Arborist Position

We are seeking an Arborist with three years of experience in all aspects of tree care: climbing, pruning, and removing trees on residential and commercial properties, installing lightning protection, leading crew. ISA certification or eligibility preferred. Valid Virginia driver's license required.

Our small family company is known for excellent customer service by all staff, safe working procedures, and quality tree work. We are privileged to work with deeply appreciative customers who recognize the value of trees and tree conservation. We are a non-smoking company.

Salary commensurate depends on experience. Independent arborists with W/C are welcome to contact us. Submit resume and inquires to job@arborist-treecare.com and tell us about yourself.

Ground Crew Position

The ideal candidate will be interested in developing skill and knowledge in the tree care industry, have at least one year experience as ground crew for a tree care or landscaping firm or similar physically demanding outdoor job, enjoy outdoor working conditions, is capable of sometimes strenuous physical labor in all weather conditions, and have both initiative for independent work and be a dedicated team player.

Ground Crew duties include hauling brush, lifting heavy wood, use of forestry equipment including chipper and chainsaws, assisting arborist in lowering wood, assisting arborist with access to equipment, monitoring job site for safety, operating vehicles, and much more. Training provided for the right candidates.

Valid Virginia driver's license required. Our small family company is known for excellent customer service by all staff, safe working procedures, and quality tree work. We are a non-smoking company. This position may be available for part time. Salary commensurate depends on experience.

The tree care industry continues to grow in residential and commercial sectors and dedicated individuals who learn the skills can expect to find regular employment. Submit resume and inquires to job@arborist-treecare.com and tell us about yourself.
