Certified Arborists
You Can't Afford to Miss This Opportunity

MAC-ISA invites you to advertise your Services on www.Goodtreecare.com

It's simple, free to MAC-ISA members and proven effective

Steps to Advertise on Goodtreecare.com

Go to www.goodtreecare.com and follow the steps below. A form is attached for your convenience to show what information is needed.

1. Select Arborist Registration/Login
2. Select Register for an Account
3. Enter your ISA Certification number and Last Name
4. Hit Get Started
5. Follow steps under Create a profile
6. You can list company name, address, web site, phone numbers, email, and service areas by counties and services that you offer. You can also add other ISA credentials, such as Municipal, Utility, Tree worker, etc.
7. **Create a password.** This is important as it will prevent others from editing your profile.
8. **Optional:** For an annual fee of $25 you can have a hyperlink directly to your website. This is payable through the website or send a check to the MAC-ISA office with the weblink form (attached). Your fee goes to maintaining the site.

MAC-ISA is promoting the website search feature through Cooperative Extension offices, municipal governments, State Departments of Forestry and Natural Resources, garden centers, additional industry associations, and other places the public goes for information and assistance.

Think of how many people can access your profile on the Internet!

Where else can you get this kind of exposure for so little cost!

If you have questions, contact the MAC ISA office at **admin@macisa.org** or **703-753-0499.**
