Mid-Atlantic Chapter
International Society of Arboriculture

"Promoting Safety and Science in Tree Care"

Who we are: The MAC-ISA is a non-profit professional organization of arborists, urban foresters, and others involved in the caring of trees. Our members are made up of arborists from commercial, utility and municipal sectors and other green industry related fields. **Our mission is to promote a culture of safety while fostering education and research that supports the care and benefits of trees.** The MAC-ISA began in 1978 and consists of the states of Maryland, Virginia, West Virginia and the District of Columbia. It is a chapter of the ISA, the world's largest arboricultural association.

Join MAC-ISA to maximize your benefits while supporting regional events and locally-focused tree care
