

Frank Santamour Scholarship

The Mid-Atlantic Chapter of the International Society of Arboriculture (MAC-ISA) is offering academic scholarships in memory of Dr. Frank Santamour, past President and charter member of the Mid-Atlantic Chapter of ISA.

MAC-ISA is offering two scholarships in the amount of \$1250.00 to be awarded in the fall of 2023. These scholarship(s) will be awarded **to undergraduate** students studying arboriculture/urban forestry or a related field who have a genuine interest in a career in arboriculture. The students need to be a member of MAC-ISA to apply (membership is free to students enrolled in arboriculture or urban forestry program). The scholarships will be available to two and four year colleges and universities that have committed programs in horticulture, arboriculture and/or urban forestry.

The 2023 scholarship application (see reverse side) is to be sent no later **than September 8, 2023**. Please submit all narrative packages directly to Liz Buxton by email: director@macisa.org or fax: 703-350-1048. The Frank Santamour scholarship committee will review the student's narrative and notify the student once the committee has made the selection(s). Once a scholarship has been awarded the funds will be allocated by your school's administrative department that manages scholarships.

MAC-ISA is proud to sponsor future generations of arborists by honoring Dr. Santamour for all his contributions to our local chapter and industry. One of MAC-ISA's primary missions is to support education to advance our profession. Providing financial assistance to promising students of arboriculture further supports our mission.

Questions? Contact Liz Buxton, director@macisa.org or call 703-350-1048.

Frank Santamour Scholarship Application
Deadline to apply: September 8, 2023
Must be a MAC-ISA member to apply
